Vision

As a photographer, cinematographer and multi-media artist, I aim to tell stories, create works of art through various mediums, and work collaboratively with other artists in the digital-media field.

Skills

Ability to direct, schedule and manage production for film projects and photoshoots, manage artistic projects from start to completion, work with various other artists on multi-media projects, oversee long-term projects, write visual treatments and storyboard, edit and manage post-production on film and photo projects.

Experience

Freelance

Working with local Hip-Hop acts, directing music videos, photoshoots and covering live performances
Photographer & Cinematographer / 2010-Present

Alive & Well
